GEOFFREY COHEN is a Jewish believer from South Africa where he was raised in the Orthodox tradition and educated in private Jewish schools. He was strongly opposed to the gospel, as he thought to consider the claims of Jesus would be a betrayal of the faith of his fathers. That was until he had a dramatic encounter with the Lord in the Old City of Jerusalem in 1984.

Shortly after this, Geoffrey was so dramatically transformed that he began to boldly preach the gospel he had once opposed. Since then, he has preached the gospel for over 20 years, taught in Bible schools and churches as well as on television and radio both in the United States and overseas. He has had the privilege of leading many souls to the Lord, both Jews and Gentiles. Geoffrey holds a Bachelors Degree in theology and is an ordained minister. His ministry is well received and embraced across many denominational and cultural barriers.
